Fluid

*Movimiento fluido. Fuerza imparable...
Estas son las características que SLABS recoge de la naturaleza
para inspirarse en un nuevo concepto creativo. La Naturaleza se
manifiesta en todo su esplendor a través del movimiento.
Energía y materia fluyen al unísono creando nuevas sensaciones.*

*Fluid movement. Unstoppable force ...
These are the characteristics that SLABS gathers from nature to
be inspired in a new creative concept. Nature manifests itself in
all its strength through movement.
Energy and matter flow together creating new sensations.*
